DISEÑO APTO LEVANTE & TIRO

STERK , es una marca de SANDE S.A.

1 pneumatic winch, 7.2 T model AW72-19-180

Required

Industrial Use (or higher)
Maximum load capacity:

7.2ton

Cable length maximum capacity:

180m

Cable diameter:

3/4" - 19mm

Cable material:

Steel

Cable guides

Roller-type

Parameters:

SANDE S.A.

Cable end hook:	With safety device
Pneumatic drive	
Motor torque:	293Nm
Motor power:	20kw
Maximum speed:	7 m/min
Drum Clutch:	No
Overload limiter:	No
Working air pressure:	0.6 MPa / 0.9 MPa Yes
Air consumption:	Max air consumption: 24m ³ /min
Weight:	1100kg (Excluding wire rope)
Braking system:	manual drum and disc brake
Control type ,	Throttle lever
Drum wide	610mm
Air line accessories	strainer , Filter , Lubricator
Muffler exhaust	Yes
Special paint	Zinc primer and epoxy coat , yellow color
Emergency stop button	No
Guard protection	Yes
Warranty: 12 months	Yes
Recommended spare parts: 2 years of operation	Yes
